Corporate and Non Profit Membership

The membership benefits for Corporate and Nonprofit members are similar, though membership fees are different.

- Corporate membership is for organizations whose primary goal is making money.
- Non-profit membership is for groups organized for purposes other than generating profit. These organizations focus helping the community and whose only concern with money is that to keep the organization operating. Examples include churches, charities, mosques and some community organizations. Please contact us if you need help determining if your group falls under corporate or nonprofit.
